Resolutions from the Kenosha Co. Sheriff's Department:

1) Probationary Cabaret License – Lumpy's

Motion by: Arrington **Seconded by:** Haas **Approved:** unanimously

Capt. Apker presented the resolution. This application is by the new owner, Colin Hennessey. Hennessey was in attendance at the meeting. Class B liquor license was received. Owner was compliant with building inspections. There has been only one notable occurrence with the current owner. Supr. Clark commented that there seemed to be more than a usual number of inside incidents in October and November. He asked when Hennessey took over the business. Hennessey replied November 9. Clark asked if video would be possible. Hennessey responded that he added this two weeks ago; DVR with a 7-day memory. Bouncers are also keeping journals. Capt. Apker said that cameras are not required, however helpful. He said Hennessey was very cooperative in taking care of building needs.

Supr. Arrington commented that he understands the probationary period to give the owner the opportunity to run the business for six months. This is a good amount of time to see how things go. As long as they run a reasonable business, this is their livelihood.
