Kenosha County Executive Jim Kreuser said today he is pleased that Governor Doyle selected Kenosha County as recipients for both the STRAP (Supplemental Transportation Rural Assistance Program) and the New Freedom grant.

The STRAP grant allows Kenosha County to support valuable transportation services to Western Kenosha County, Kreuser said.

“We are thrilled to receive the \$512,000 to continue Western Transit and to expand the services by about 80 hours a week,” Kreuser said.

Additionally, the \$213,520 New Freedom Grant will allow the county to increase the number of vehicles, develop bus stops and increase the call center technology, among other things, Kreuser said.

“This provides a wonderful opportunity to increase services, access and visibility of Western Transit,” Kreuser said.
