

On **Tuesday, October 19, 10 A.M – 4:00 P.M.**, the Kenosha Area Fun 'n Fit Committee will host the fourth annual Recreation & Fitness Resource Fair for persons with disabilities, their families, caregivers and others. The event is free and open to the public. Free transportation will be provided for those who qualify for para-transit.

The fair will be held at the Callahan Branch of the Kenosha YMCA. **Highlights** of the event will include **The National Championship team, UW Whitewater Wheel Chair Athletics Basketball Players, and 20 + exhibitors** showcasing accessible recreation and fitness opportunities within southeastern Wisconsin and northern Illinois.

We welcome you to join us as an Exhibitor. Exhibitors are asked to provide hands on activities, equipment or visual aids in order to truly make this a fun and exciting fair for all who attend. Enclosed is an exhibitor form which includes additional details. An event like this isn't possible without the support and partnership of our agency network and community businesses.

Exhibitors are asked to consider making a donation in support of this free event to help offset costs. Your participation will be recognized in a **Recreation & Fitness Directory** that will be provided **FREE to all attendees and distributed year round** by the Kenosha County Aging & Disability Resource Center.
