Urban Public Transportation

Local Transit: Fixed-Route

The City of Kenosha transit system includes seven regular bus routes emanating from downtown Kenosha with service from downtown to all portions of the City and its immediate environs, including areas of the Town adjacent to the City of Kenosha. In addition, there is a bus route that provides local transit service directly to the University of Wisconsin-Parkside.

Other Transportation Facilities and Services

Bicycle Facilities

The Kenosha County Bicycle Trail extends eight miles north to south through the Town of Somers and the Village of Pleasant Prairie. This trail connects to the Milwaukee-Racine-Kenosha Trail in Racine County. In addition, a 4.4-mile on-street bikeway is located along CTH KR in the Towns of Somers and Paris, and is part of a Racine County bike route.

Specialized Transportation Services

Kenosha Care-A-Van and the Volunteer Escort Service (both provided by Kenosha County Department of Human Services) offer door-to-door transportation services to individuals who are elderly, disabled or assessed as unable to use other transit services.

Rail Freight Services

Rail freight service in the Town includes two railway companies, the Union Pacific Railway and Canadian Pacific Railway.

Airports

There are no airports or heliports in the Town. General passenger service is provided by General Mitchell International Airport in Milwaukee County. Public-use airports in Kenosha County include the Kenosha Regional Airport, Westosha Airport, Camp Lake Airport, and Vincent Airport.
