

Benefits of Dog Parks

Off-leash dog parks have proven to provide many benefits to dogs, their families, and their communities.

- Dog parks promote positive socialization, healthy outdoor activities, and natural resource appreciation in both animals and humans.
- Dogs that receive regular exercise and are well-socialized are better canine citizens in our community. Typically, they are less destructive and calmer at home, and are more comfortable around people in general.
- Dog parks help to encourage responsible pet ownership and the enforcement of dog-control laws.
- Dog parks can provide a safe environment for elderly pet owners and individuals with disabilities to exercise their dogs.

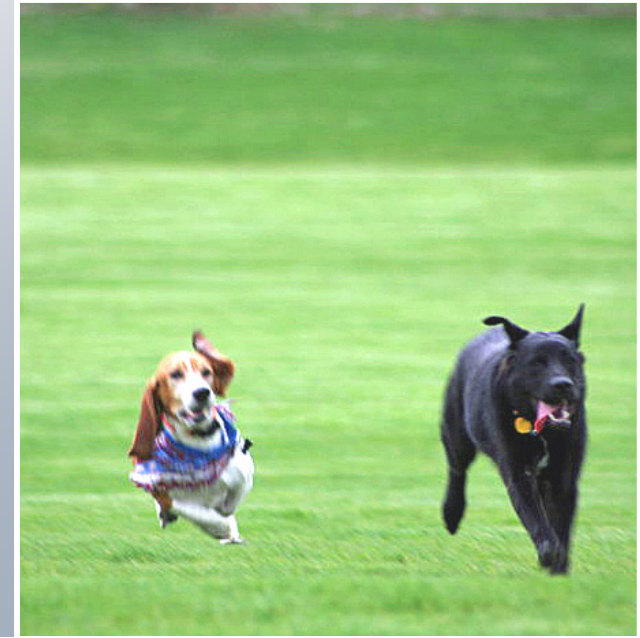

All parks are open from 7 a.m. to 10 p.m.

Please note that, for safety reasons, the dog parks may be closed periodically due to muddy conditions. Signs will be posted at the parks to indicate closures.

Rules & "Petiquette"

- To use the Kenosha County Dog Parks, your dog must have a Kenosha County Dog Parks annual tag or you must pay the daily fee at the park.
- Please scoop the poop! Disposal bags are available at every park.
- Dogs must be kept on leash until they are in the dog park entrance and the gate has closed behind them. For the safety of your pet and others, do **NOT** keep your dog on leash while inside the fenced area.
- You must be physically capable of controlling your dog and remain inside the off-leash area throughout your visit. Making sure that you can see your dog and that your dog can see you at all times will help to maintain a safe environment. For everyone's safety, there is a limit of three dogs per handler, per visit.
- Aggressive dogs are not permitted. If your dog exhibits rough, aggressive or dangerous behavior, you must leash up and leave immediately.
- Excessive barking is prohibited. Dogs barking excessively must be removed.
- Your dog must be current on vaccinations before visiting the dog park.
- All dogs must be licensed by their respective municipality and display their license/tag while in the dog park. Non-County park users must have a current rabies vaccine tag and a dog license tag from their place of residence.
- No female dogs in heat or puppies under the age of four months are allowed in the dog park.
- No smoking, food, alcoholic beverages, glass containers, strollers, or bicycles are allowed inside the park.
- Children under 18 years old must be accompanied and supervised closely by an adult at all times. It is recommended that small children not be brought into the off-leash area, since some dogs will react unpredictably to children.
- Please understand that you use the dog park at your own risk. You are legally responsible for your dog and any injuries caused by your dog.

Support the Dog Parks

Our off-leash dog parks exist due to the steadfast, enthusiastic efforts of a group of local dog lovers, now known as the Friends of the Kenosha County Dog Parks. If you enjoy the off-leash dog parks, please consider supporting their ongoing maintenance and improvement through a donation of time or money.

Friends of the Kenosha County Dog Parks meet every second Tuesday of the month at 6:30 p.m. in the Public Hearing Room at the Kenosha County Center (19600 75th Street, Bristol). All dog lovers are welcome to join in planning for dog-friendly community events and dog park improvement projects.

For more information about how you can support the parks, please visit the Kenosha County Dog Parks website: <http://dogparks.kenoshacounty.org>
